

April 27th is Victoria's 36th annual TC10k!

MMFN has been approved funding to participate in this event. We would be able to travel to Victoria for an overnight trip.

This would require a bit of training to be prepared for the 10km walk/run!
ISPARC has created an 8 week program that will help us prepare for the TC10k.

Weekly door prizes and \$40 gift cards will be available!

Please contact Kayla Savey for sign up :)

Come on out and join!
