

MMFN FOOD SECURITY PROJECT

COMMUNITY MEETING RECAP

COMMUNITY SURVEY

Why are we doing a community survey?

- To get a picture of the current state of MMFN household food security
- Strengthen community awareness about food security
- Identify critical gaps to help improve access to traditional and market foods
- Support *MMFN's Resilience Initiative: Strengthening Seafood Supply Chains for Food Security*

Who is conducting the survey?

- Balance Co-Lab researchers worked with HFS and MMFN to create the survey questionnaire.
- MMFN's Health Services team will share information and will meet with you to do in-person interviews

SURVEY WILL TAKE 20-30 MINUTES TO COMPLETE. EACH PARTICIPATING HOUSEHOLD WILL RECEIVE A \$50 GIFT CARD

What kind of questions will be asked?

- General information
- Household demographics
- Housing
- Food security
- Traditional food access
- Market food purchasing
- Your priorities to support food security

What is your vision of food security?
