HOUSING NEWSLETTER

1.) CHIMNEY SWEEP – OPEN TO ALL

Please call the Band office or my cell to add your name to the list.

- A date and time will be arranged
- On the day of your scheduled time for a chimney sweep, please do not use your woodstove until after your scheduled appointment

2.)WORK ORDERS – RENTAL UNITS/ELDERS

If you require any repairs or maintenance in your home, please fill out a work order or send an email to: Housing.mgr@yuquot.ca.

No work will be completed without a written request on file.

- Rental units - All willful damage(s) will be charged back to the tenant. A repayment agreement must be signed before work commences
- As you are the eyeballs in the home, it is important to notify the Housing Department when there are any repairs & maintenance issues that need to be addressed immediately

Health and safety items are first priority

You are encouraged to take pride in your home and be responsible for all minor repairs and maintenance in your home. As we are on a limited budget, we simply do not have the funds to tend to all work orders. All work orders received will be prioritized.

You can contact me directly or via email if you have any questions or concerns.

3) SMOKE ALARMS – OPEN TO ALL

Smoke alarms are a key part of a home fire escape plan. When there is a fire, smoke spreads fast. Working smoke alarms give you early warning so you can get outside quickly.

- You should have a smoke alarm in all bedrooms. They should also be outside each sleeping area and on every level of the home.
- Large home may need extra smoke alarms
- Test all smoke alarms at least once a month. Press the test button to be sure the alarm is working

Do not at any time disconnect the smoke alarm(s) in your home. To have insurance coverage for your home/unit, the smoke alarm(s) must always be in good working condition.

If you require a new smoke alarm, call me at the Band office or call my cell. I will arrange for the install of new smoke alarm(s).

4.)Hydro Account/Meter Numbers & Current Mailing and Email Address – RENTAL UNITS ONLY

We are required to have hydro account and meter numbers on file for all rental units.

Please provide me with a current mailing address, this will ensure you receive all statements, letters and notices to your mailbox.

Paperless:

If you wish to add your email to the mailing list, for all housing statements, newsletters, updates etc. please send me your email to add to the list.

Please forward hydro account, meter number, current mailing and email address asap.

Thank you!!
