

## **EARTH DAY NOTICE**

The Health Department is leading this year's Earth Day event on **April 22, 2026**. Operations & Maintenance and Housing will be participating and supporting throughout the day.

**O&M will be assisting with waste disposal to help keep the community clean and organized during the event.**

### **PRIZES & GIVEAWAYS**

O&M and Housing will have additional prizes and giveaways available throughout the event.

### **CLEANEST LOT COMPETITION (MAIN PRIZE)**

A **generator** will be awarded to the cleanest lot.  
Eligibility - open to any lot within the community.

Photo requirement - **before and after photos are mandatory for the entry to be considered valid.**

Prize assignment - awarded to the **household (lot).**

### **COMMUNITY CLEAN-UP ENTRIES**

Participants may assist with cleaning any lots in the community.

**Entry count - each completed lot counts as one (1) entry**

**Entry limit - maximum three (3) entries per group**

**Submission details - must include lot #, before and after photos, and names of participants**

Validation - **entries without before and after photos will not be accepted**

Group rule - groups must be declared at the time of entry and cannot be changed

### **MORE INFORMATION**

Further details will be shared at the event.
