We also want to recognize that **all other participants received gift cards** as a thank-you for taking part.

A big shoutout to the **21 homes that participated** — that level of effort matters. It shows pride, accountability, and care for our community.

At the same time, this is a reminder that this isn't just for events — **this is how our homes and surrounding areas should be maintained year-round**. Keeping spaces clean, organized, and properly sorted helps protect our homes, prevents larger issues, and supports a healthier community for everyone.

This is the direction we're continuing toward — building strong habits around **reduce, reuse, recycle** and taking care of what we all share.

Moving forward, we expect to see this same standard maintained across all homes — not just during events, but as part of everyday upkeep.

Thank you to everyone who stepped up.
