Health Career Access Program

The Health Career Access Program (HCAP) helps people with little or no health care experience start a career in health care by training to become a health care assistant.

Through HCAP, you can get hired while you train, have your education paid for, and receive a weekly stipend while you learn.

HCAP Pre-Requisites

- Completion of Grade 10 including English 10 or equivalency
- Canadian citizenship or permanent residency
- Completion of Criminal Record Check
- Record of vaccinations

Getting Started with HCAP

- Please review the contacts below and reach out to the appropriate person for assistance
- Get hired as an employee
- Complete paid training and post-secondary education
- Graduate and continue working in your role
